

## QEW Mainline Milling and Paving Operations

We will be commencing work on the QEW mainline from the Garden City Skyway to Highway 405 for milling and paving operations as shown below:

**Figure 1: Approximate Work Area on QEW within QEW/Glendale Interchange**

### Timing:

- Milling and paving operations are anticipated to start the week of May 7<sup>th</sup>, 2023, weather permitting. Operations are expected to take four to six weeks.

### Impacts:

- Alternating two of three lanes will be closed during nightly closures in both directions on the QEW.
- On and off ramps will be closed periodically as required when operations are in and around the QEW/Glendale interchange.
- Highway 405 Toronto Bound will be closed at Stanley Avenue periodically as required when operations are in and around the merging lanes of Highway 405 to QEW Toronto Bound. Additional notices will be distributed in advance of Highway 405 Closures.
- Highway 405 Niagara Bound will be closed at the QEW periodically as required when operations are in and around the merging lanes of the QEW

## Construction Notice Update No. 017

QEW / Glendale Avenue Interchange Reconstruction,  
Design-Build Project
