

Roundabout Construction Start

Work will be commencing on the construction of the roundabout at the Glendale Ave and York Rd intersection.

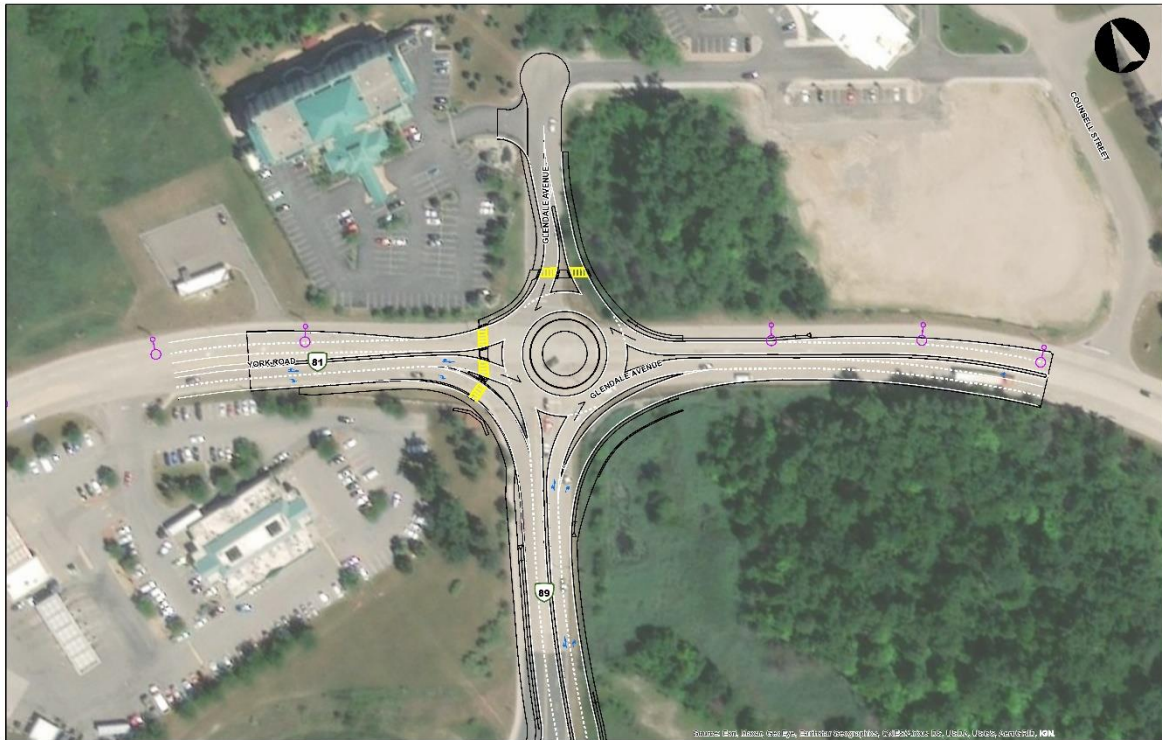

Figure 1: Final Roundabout Configuration

Timing:

- Construction of the roundabout will be commencing from the week starting May 29th 2023, weather permitting. Operations are expected to end in July 2023.

Impacts:

- Lane reductions and changes to the intersection layout will occur during different stages of the roundabout construction.
