

Construction Notice Update No. 004

QEW / Glendale Avenue Interchange Reconstruction,
Design-Build Project

A COLAS COMPANY MORRISON HERSHFIELD

Queen Elizabeth Way (QEW) Toronto Bound and Niagara bound – New Lane Shifts

Construction Impacts:

- Traffic heading QEW Toronto Bound will be shifted towards the outside shoulder before and after the on/off ramps to Glendale Avenue.
- Traffic heading QEW Niagara Bound will be shifted towards the outside shoulder before and after the on/off ramps to Glendale Avenue.
- Three lanes of traffic in both directions on the QEW will be maintained.
- Traffic on the QEW will be in the Stage 2 configuration and Temporary Construction Barriers (TCB's) will be installed at the median to allow for construction activities to be completed safely.

Timing:

- Lane shifts are scheduled to start the night of July 8th, 2021 and will be completed by July 12th, 2021
- Temporary Construction Barriers (TCB's) are scheduled to be installed the night of July 13th, 2021 and will be completed by July 15th, 2021
- Construction operations for the lane shifts are weather permitting, and these dates may change.
- This configuration is anticipated to last until the Fall of 2021
